The Dublin High School Hockey Association (DHSHA) is a non-profit 501(c)3 organization run by parents and the Dublin, OH, school district community to provide financial and other support to the four high school hockey teams in the Dublin City Schools district: junior varsity and varsity teams at Dublin Jerome HS, a varsity team at Dublin Coffman HS, as well as a club team at Dublin Scioto HS. Monthly meetings are held year-round and new officers and trustees are elected every Spring.

DHSHA sponsors all conditioning and training sessions from June through October and pays for all ice time, as well as coaching, during these months. The Association also pays for all ice time, uniforms, referees, and apparel during the season, as well as the Do It For Daron (DIFD) Mental Health Awareness Night, the Adam Allgeyer Memorial Tournament each December, Senior Nights, and team banquets. DHSHA conducts a number of fundraisers throughout the year to cover all of its programs and expenses.

The Association's goals are: (1) to provide a positive high school hockey and academic experience for Dublin City School District students, (2) for its ice hockey programs to be competitive statewide, and (3) for its players and parents to be ambassadors for the district and the game of hockey.

### **PAT MURPHY - HEAD COACH**

Coach Murphy grew up in upstate New York where he played U.S. Junior 'A' hockey for the Buffalo Junior Sabres on his way to Hamilton College in Clinton, New York, where he earned degrees in Economics and Government. While at Hamilton College, "Murph" was an All American candidate while playing for their division III hockey team. He was their leading scorer in 1990 and earned Eastern College Athletic Conference All Star honors, their MVP, The Hamilton College "Coaches Award", and the school's 'Gelas Award' for sportsmanship, leadership and strength of character. He played his professional hockey in Oslo, Norway for Hasle in their Elite Series and started coaching while in Norway with Pee Wees. His coaching resume continued with young players following his return to New York where he was the assistant coach for the New York State Amateur Hockey Association select 16 team, Head Coach of the New York City Cyclones, as well as the head coach of the New York City Girls Empire State Team.

He has also had extensive experience managing ice rinks and ice hockey leagues, as the Director of Hockey at the Chelsea Piers in New York city, and an assistant general manager at Chiller LLC. Having served as the Head Coach of the Dublin JV team he was named as the first Head Coach of the Dublin Jerome High School Varsity Ice Hockey Team for its inaugural 2004-2005 season. During his tenure, Celtic Hockey has a record of 411 wins, 192 losses, and 46 ties in 18 seasons. Since 2004, the Celtics have won 3 Columbus District titles, 4 Capital Hockey Conference Regular Season titles, and 9 CBJ Cup Championships.

Coach Murphy is a faculty member at Dublin Jerome High School where he teaches AP Economics, American Government and Psychology. He lives in Dublin with his wife Bridget, and their two children, Maggie and Connor (a Jerome Senior).

### **PATRICK MAYFIELD - ASSISTANT COACH**

Coach Mayfield is originally from Buffalo, New York and moved to Columbus in 2004. He has been with the Celtics since 2008 and is currently in his 15th season. He has been a part of four CHC League Championships (2011, 2012, 2018, 2019), eight Blue Jackets Cup Championships (2008, 2010, 2012, 2013, 2016, 2017, 2018, 2019) and the State Final Runner-up in 2019.

### **KURT BROWN - ASSISTANT COACH**

Coach Brown grew up playing travel, high school and AAA hockey in the Chicago area. He graduated prep school from Kent School in Connecticut where he captained the hockey team in 1991, and then played junior hockey in the USHL with the Omaha Lancers. Kurt was recruited to play for The Ohio State University from 1992-1996 and then spent 2 years playing professional hockey in the ECHL with the Birmingham Bulls and Wheeling Nailers. After retiring from playing hockey, Kurt ran youth and adult hockey leagues and became the general manager of an ice facility in the Denver area until 2002. He then returned to Columbus to attend business school at OSU and served as an assistant coach for the Buckeyes during which time they made 3 NCAA tournament appearances and won the CCHA for the first time since 1972. Kurt has been coaching a variety of Columbus area youth teams since 2009 and joined the DJHS coaching staff in 2019. He lives in Dublin with his two children, Carter (a Jerome Senior) and Anneke and wife Sadie, who teaches in the Dublin school district.

### **RYAN NORKIN - VOLUNTEER ASSISTANT COACH**

Coach Norkin was born and raised in Dublin, Ohio and played as a goaltender on both A and AA travel teams until high school. In 2016, Coach Norkin joined the JV team and continued his Goalie career for the Celts, earning a 3-year Varsity letter. As a Sophomore, he was part of the District Championship team. His Junior year included the Celts earning the State Runner-up, the first ever Columbus team to reach the final game. That same year he led the CHS in save percentage, goals-against average, and shutouts. He was also part of 2 CBJ Cup Championship teams, graduating from Dublin Jerome in 2020. Coach Norkin also has a brother, Colin and sister, Kate.

# DIFD is about inspiring conversations - raising awareness - transforming youth mental health

Daron Richardson and her family lived in Upper Arlington while Luke Richardson was a defenseman (and one-time captain) of the Columbus Blue Jackets. The Richardsons quickly became part of the local community, and Daron joined the CCYHA youth hockey program. While playing on the CCYHA Blue Jackets travel team, she had several teammates who were members of the Dublin Jerome and Dublin Coffman High School hockey teams. Daron committed suicide in November 2010, at age 14. Her close friends and family started the DIFD Foundation to honor her memory and to raise awareness about suicide prevention and youth depression—hoping that their

message would inspire people affected and saving their lives rather than keeping it to themselves and ending their lives. The Dublin Jerome Celtics are holding Varsity and JV DIFD Games on December 16th to honor the DIFD cause and promote youth mental wellness in the community.

## Adam Allgeyer Scholarship

Adam Allgeyer lost his life in a car accident when he was a junior at Dublin Coffman High School. Following the death of their son, the Allgeyer family encouraged supporters to make donations in Adam's name to the Dublin High School Hockey Association (DHSHA). With these contributions, DHSHA established an Allgeyer Fund. One of the purposes of the Fund is to provide financial assistance scholarships to families that may not be able to afford the annual cost of ice hockey. Consideration is given to any player or parent who makes a request in writing, by telephone or by email.
