Strength & Conditioning Coordinator

Joe Nordin
Kickers/
Punters

Jerry Olszewski
Head Coach

Coach Olszewski took the reigns of the Augustana University football program in 2013 and immediately put the Vikings down the path of the most successful era in program history with consistent winning seasons. Coach OJ enters his 16th season as a collegiate head coach, his 11th at the helm of Augustana University. In 2019 he was selected as the NSIC Coach of the year after guiding the Vikings to a 9-2 regular season record and a birth into the NCAA Division II football playoffs. He also received the same honor in 2015 where he guided the Vikings into the playoffs. He has compiled a 63-39 record at Augustana and is the only coach in Augustana history to lead his team to nine or more wins on more than one occasion.

Under the leadership of Coach OJ, AU continues to develop double-digit All-Conference performers, as well as, All-American student-athletes. He has changed the expectations of Viking Football both past, present and future by creating a culture of excellence both on the field and in the classroom. This is witnessed by the outcomes of his student-athletes as the most recent class of seniors leave the program with the MOST Wins All-Time during their era at AU, which included consecutive 9 win seasons, NCAA playoff participation, #1 regional ranking and first conference championship in 62 years. Coach OJ is confident that with the continued elite recruiting classes coming in the program is poised for excellence for years to come.
