

MICHELLE CHEN

Michelle Chen returns to the NCR High Performance Program for her second season – this time as the Boys U17 Assistant Coach. Last season, Michelle was the NCR Boys U19 All-Star Team Assistant Coach.

Michelle has coached with MN Select since 2009 and considers it a privilege to be able to guide each player to achieve their “aha” moment as they reach that elusive goal they’ve been striving for.

In 2015, Michelle brought a Boys Volleyball team to MN Select and coached that team for the next three years.

Michelle is currently the Boys Varsity Head Coach at Park Center High School and has coached volleyball for over 30 years at various levels from Youth to NCAA DII. Coaching has always been a part of her life, no matter the sport. When not coaching volleyball, Michelle was coaching NCAA Division II Men’s and Women’s Tennis, High School Tennis, Tiny Tot Tennis, and BPAA Baseball.

Michelle has also earned degrees in Corporate Fitness and Exercise Physiology with an emphasis on Coaching and Nutrition along with a degree in Culinary Arts. She is USAV CAP I Certified.

Michelle and her husband, Pat, reside in Brooklyn Park along with their animal babies, while enjoying their otherwise empty nest.
