WELCOME HOCKEY FANS

It gives me great pleasure to welcome you to tonight's hockey game. Please sit back and enjoy the experience. Let's release the kids to the game and enjoy watching the girls display their skills and talent.

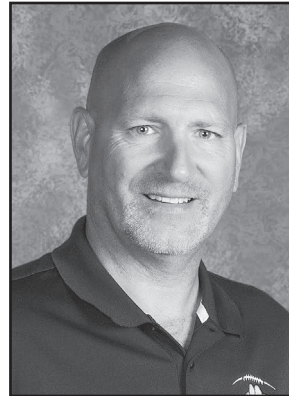

The Blaine girl's hockey team is part of a Blaine High School Activities program that represents our school with class and dignity. The young women work very hard to provide exciting entertainment and to protect the great tradition established at Blaine. The coaching staff is full of dedicated coaches who care more about the players and their development than wins and losses. We are fortunate as a community to have these coaches working with our girls.

Thank you to all of our families for their sacrifices over the years. It is the true commitment and dedication from you that sets Blaine hockey apart from the rest. I would personally like to thank the parents for the sacrifices they have made over the years that allowed these young women to continue to play a sport they love. Your commitment to them will pay great dividends in the years to come.

So, as you enjoy this year's hockey season, feel the energy generated by our athletes and support them with great enthusiasm and sportsmanship! Join all the fans and enjoy the pageantry, excitement and intensity of Bengals Girl's Hockey.

Celebrate Greatness,

Favorite Hockey Memory My favorite hockey memory was when I got to take Health Evo photos every game day with Audrey and Mandy last year. I also really liked going to Applebee's every year for our Grand Rapids tournament; it felt rewarding, even if we lost games.

Who influenced you most in hockey? I think my grandparents influenced me a lot in hockey. They always came to my games and they've been big WILD fans since forever ago. They've been huge supporters and having them come to my games has influenced me to keep playing each and every year.

What are your plans after high school? After Highschool I'm planning to go to a college or university, studying in either health sciences to become an EMT/Paramedic/Firefighter, or studying in social sciences to become a Therapist/Social worker.

What is your pregame ritual? Before I even get to the rink I like to stop at Subway and Health Evo, getting the Bengal bomb and whatever sandwich fits me for the day. Then I get to the rink, prep for the team warmup, put my headphones on, do the warm up as a team, then start stretching alone for at least another 5 minutes before heading to the locker room.

What advice would you give the underclassmen? The advice I would give to the underclassmen is to give it your all and have fun doing it. Nothing feels more rewarding then to know you tried your best and had a good time. And please remember, your supports are everywhere. Your community is made up of teammates and your teammates are made up of family. You aren't alone.

Message for those who have supported you in your hockey career.

Thank you all so very much for supporting me throughout my 4 years at Blaine High School, and some of you even for much longer. I couldn't have been where I am now if it weren't for the people who have stuck with me through my entire hockey career. Thank you to my family and all of our sponsors for helping me financially. Without the financial help, I couldn't have ever gotten into this sport or stuck with it throughout all of high school. Thank you for helping me mentally. Coming to my games, supporting me from afar, giving me advice and coaching, and letting me play the sport I love has made me grow tremendously. I am a much better person due to everyone who has supported me in this way, and I couldn't be more grateful. Thank you for being so encouraging. The love you all have given me, I've been able to put into my sport, and it's made me so much better as I've gone. Thank you for training me. I started hockey not even knowing how to skate, and I have tried every position more than once in my entire hockey career and I couldn't have done that without everyone who's coached and trained me. Looking back, if it weren't for my coaches teaching me the basics, or our team's trainer teaching me the importance of muscle strength, I wouldn't be nearly as strong, skilled, and disciplined as I am now. I wish to give a very proud and honouring thank you to everyone who has helped me in any way, shape, or form in hockey these last years. You've not only shaped who I am as a player but also as a person. I couldn't be more grateful for my family, my friends, my teammates, coaches, staff, everyone at the rink, and more. I love you guys, thank you for making me, me. "

Jayla,

We are so incredibly proud of the amazing lady you're becoming. Can't wait to watch more. Never give up, bucks for pucks, and put some sprinkles on it!
Love ya kid! Jenn and Dad

Favorite Hockey Memory My favorite hockey memory is probably our team's yearly trip to Grand Rapids. It's so fun to hang out with the team, walk to Target, and do karaoke on the bus.

Who influenced you most in hockey? One of my biggest influences in hockey has been my parents. They always push me to try my hardest in everything that I do, and they are my biggest supporters! After high school, I plan on attending a four year college to study biology, and go to medical school to become a dermatologist.

What is your pregame ritual? My pregame ritual consists of getting Health Evo Or Starbucks, listening to music, re-taping my stick, stretching and getting dressed early.

What advice would you give the underclassmen? Don't take anything for granted, time will fly by. Be sure that you are kind to everyone that you meet, you never know what they may be going through. Make sure that you never give up when things get challenging, the best things come from hard work!

Message for those who have supported you in your hockey career. I would like to thank my family, friends, teammates, coaches, and most importantly my parents. Thank you for always pushing me to try my best, and always being there to support me no matter what!

Dear McKenna,

From those first days with the Junior Huskies to your Bengal senior season, what an incredible journey it has been. We've watched you grow from a determined little girl with big dreams to a confident, compassionate young woman who leads with heart and grace.

The early mornings, late nights, weekend tournaments and countless sleepovers have brought laughter, memories and friendships that will last a lifetime.

Through every challenge and triumph, you've shown courage, determination and kindness - always lifting others up and playing with passion and integrity.

Savor every moment of this final season. Keep dreaming big, working hard and believing in yourself - the best is yet to come!

Love,

your biggest fans, Mom, Dad and Teddy

Favorite Hockey Memory Picking just one favorite moment in hockey is impossible, but the one that stands out is when I was rooming with Morgan, Jessica, and Cici in Grand Rapids during my sophomore season. We stayed up until 2 a.m., playing Fortnite and watching YouTube videos together before our game. The moments I made with Cat Sleepover that year is something that I will always cherish and never forget.

Who influenced you most in hockey? My parents have had the greatest influence on my hockey career. Their constant support, guidance, and belief in me have taught me the value of hard work and discipline on and off the ice. They've shaped who I am as both a person and a player, and I wouldn't be where I am today without them.

What are your plans after high school? I plan to attend the University of Sioux Falls, where I will continue both my academic and athletic career as a thrower on the track and field team.

What is your pregame ritual? Before every game, I stop at Jersey Mike's. When I get to the rink, I retape my stick. While eating, I watch the JV team play. After warm-ups, I stretch and make a quick TikTok before game time.

What advice would you give the underclassmen? Enjoy every moment with the people around you, whether you're at the rink or at school. Get involved, be yourself, and don't be afraid to step outside your comfort zone. Soak it all in; it feels like a party every day, and the next 4 years will fly by before you know it.

Message for those who have supported you in your hockey career. I want to thank my parents, coaches, and friends for supporting me through all the ups and downs. Your guidance, encouragement, and belief in me have shaped my discipline and helped me become who I am today. I'm truly grateful for everything you've done and feel blessed to have you all in my life.

Miyah,

We are so proud of everything you've accomplished, from your first day of kindergarten to your senior year. You've always given your best, in the classroom and on the ice, and it shows in everything you do. We love you endlessly and couldn't be prouder of the young woman you've become. Love always, Dad, Gabby, and Roman

Miyah,

You've always been more than a player on the ice. You're a brick wall your team relies on for strength, and a shoulder for others to lean on for support. Your presence brings confidence to those around you, and your character shines far beyond the rink. We've watched you lift others up, push through challenges, and play every shift with purpose and pride. It feels like just yesterday we were tying your skates. Now you're tying your own and preparing to take on the world. As you skate into this next chapter, remember that the same strength, compassion, and determination that made you who you are on the ice will carry you through everything ahead. We couldn't be prouder of the young woman you've become. Look to Isaiah 41:10 - remember you are never alone and you will always be in our hearts.

Love, Mom, Dad, & Gabe

Favorite Hockey Memory My freshman year on the way home from the Grand Rapids trip I was called to the back of the bus to sing karaoke. This moment had such a big impact on not just me as a player but as a person as I became more confident and comfortable with myself. I would also say all of the memories and little moments I got with my upperclassman friends before they graduated. I will always appreciate all of the time and fun I had with this team.

Who influenced you most in hockey? Emily Brown

What are your plans after high school? I plan on going to college and majoring in biology to enter the pre-med route.

What is your pregame ritual? Before every game I go to Health Evo and Subway and get to the rink by 4:50. Once I'm at the rink I will watch the JV game while retaping my stick and eating my sandwich. Then we do warm ups as a team before I split into my individual stretching routine. I then put all of my gear on to be the first ready while listening to music.

What advice would you give the underclassmen? Don't be afraid to put yourself out there. Make the most out of your 4 years playing. Spend time with friends, have fun, and make memories. The years go by fast. At the same time, work hard and put in the work every day. Not for anyone else but for yourself.

Message for those who have supported you in your hockey career: I appreciate every person who has helped me get to where I am today. Thank you to all of my coaches, friends, teammates, and most of all my parents who have shaped me.

Isabella,

We feel so blessed to have had first row seats to watching you grow throughout all these years. You have shown strength, resilience and grit. The time spent on the rink, on the diamond or in the car are times that we will cherish for the rest of our lives. We could not be more proud of the strong, smart and independent woman you have become that is true to herself and loved ones. Some might see this as the end, but for you this is just the beginning. We cannot wait to watch you embark on your next chapter and we are proud of the leader that you have become. Enjoy every lasting moment of this; soak it all in. We are and forever will be your biggest fans! We love you!

Minnesota Ms. Hockey Goalie Award

Let's Play Hockey annually presents the Ms. Hockey Award to the top senior high school girls hockey player in the state of Minnesota. The award started in 1996, while in 1999, an additional award was added, the Senior Goaltender Award. Academics, community service, citizenship, coachability and on-ice performance prove to be the criteria for these prestigious awards.
