Officiating teams that are late or fail to report for their officiating duty will forfeit the first set of their next match by a score of 0-25. Playing and officiating teams are asked to report to their court approximately 30 minutes before scheduled match time in case the previous match ends early.
- All scoresheets must be correct and completed in full. A 5-point penalty can be charged to the working team on their next match for improper or incomplete scoresheets, at the discretion of the head official and/or tournament director.
- A rostered, certified adult is required to be at the score table when their team has work duty. Only the players working the match are to be seated at the table. NO phones, music players, or other electronic devices at the score table. Violation of this rule will result in a 5-point penalty to the working team for their next match.

- The Palmetto Region has a No Tolerance Policy on screaming, yelling, or making any derogatory remarks to ANY official (R1, R2, Scorer, or Line Judges). Keep in mind, they are human, and many times they are kids. Penalty is immediate dismissal from the playing site, no warning. Region teams may face sanction to participate in future tournaments. Coaches' improper behavior can lead to sanctions from the region for coach and/or team.

Tie Breaking Procedures

- In the event of a two-way tie in pool play, placement will be determined by the teams' head-to-head results.
