The Referee is sole authority in determining the safety and playability of the field. The decision of the Match Official to cancel or abandon the game is final.

In the case of a game forfeit/no show by a team, the forfeited team will be charged 2x the total Match Official Fee by their respective District Association and all Match Officials shall be paid the game fee as published.

Other considerations

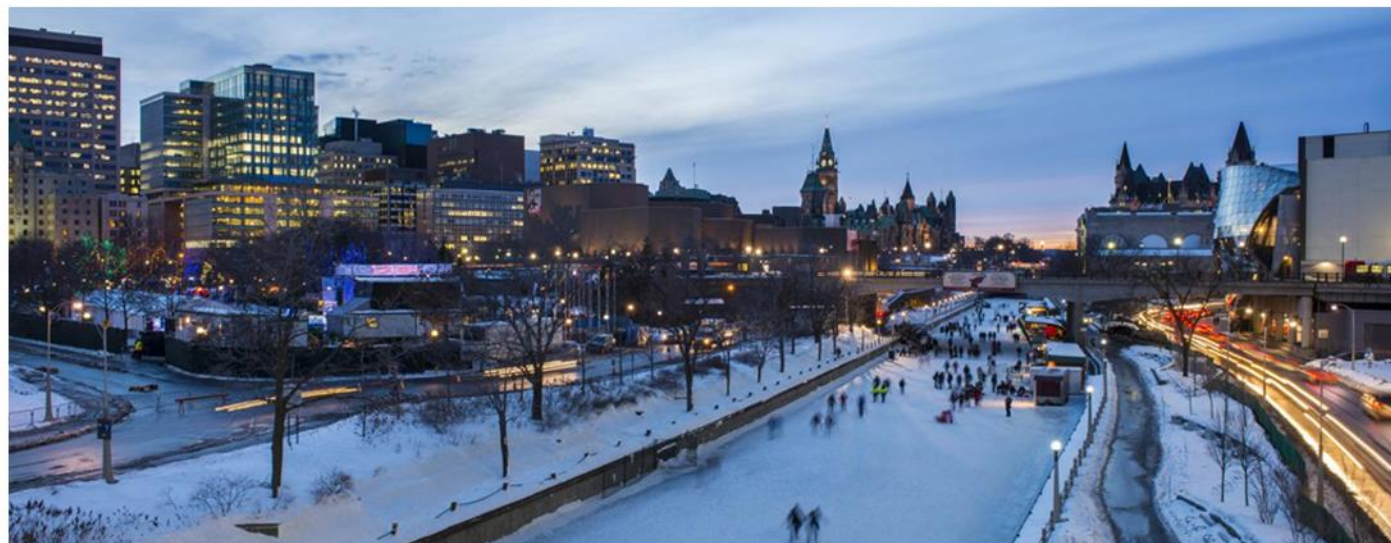

- **IModel is focussed on providing the best playing experience for all players involved**
- **It needs to fit within an overall season plan for any team**
- **As there are no blackout dates (but there is a break in the schedule) teams need to think about their overall season, tournaments, etc**
- **Ontario Cup does take precedence over IModel games**
