

1. General Measures

- All Groups will be no more than 14 players, 2 Adult Coaches (or a combo of 16)
- If a player or Adult on a team is Covid-19 Positive the team will be shut down and quarantined for 14 days.
 - An infected player will be asked to show a negative test result or clearance from a doctor before returning to league practice/game.
- Coaches, Parents, and Players (Participants) will be educated on best practices and league procedures
- Participants will be kept 6 feet apart
- Masks worn at all times by participants
- Parents and spectators are allowed, but must remain 6 feet apart from other parties. Stands will be closed. Masks must be worn at all times.
- Restrooms will not be open to the public while we are practicing. We will unlock as needed for participants only. The restrooms will be cleaned at the end of the day.

2. Promote Healthy Hygiene Practices

- Hand Sanitizer will be available to all participants at each field location during practices
- Hand washing can be done in bathrooms and also snack bar sink when needed
- Every water break the participants will hand sanitize

3. Intensify Cleaning, Disinfection, and Ventilation

- Softball disinfecting station will be provided for the coaching staff to disinfect softballs after each practice
- Snackbar will remain closed unless used for Administration purposes. It will be cleaned and disinfected after each night.
- Equipment room will remain closed, bases will be kept in each dugout and should also be cleaned at end of night.

4. Implementing Distancing

- Teams will sign up in advance with league rep for field usage by day/time to limit the number of groups on field at a time.
- Participants will be kept 6 feet apart while waiting in any lines during practices or while waiting to use restrooms.
- Distances will be marked by cones or tape whichever is more available.

5. Limit Sharing

- Participants will be told not to share any water or food

- Teams will not hand out snacks after practices
- Participants will be instructed not to share any personal equipment

6. Train All Staff and Families

- FVGFS will require all volunteers and participants to be trained on best practices to keep everyone healthy.
- Coaches/teams who do not follow FVGFS guidelines will forfeit allotted practice time.

7. Check for Signs and Symptoms

- All parents, players, and coaches will be required to self check before entering the fields/attending practice
 - The screening will include but not be limited to:
 - Temperature check
 - Self Check for Covid symptoms
 - Anyone with symptoms will be required to stay home
 - Any participant who has been exposed to a confirmed case will need to stay home for 14 days/symptom free or may return with a negative test result.
