- Schrimpf provided update from December. Expenses are tracking accurately, major expenditures have all been accounted for and taken place. Will f/u after tournaments with update. Taxes were filed in December.

OYBL

- No reported issues to date, having site coordinator is very helpful in opening and setting up gyms, etc. Timing has been good so far, ref feedback has been positive.
- Katre will send reminder email with rules reminders and touchpoints (no kids on stage, etc.)
- Food Drive is setup, Empire is finalizing picture schedule and will coordinate with Katre, teams need to be done by 1pm due to HS events. Schrimpf and Younggren will be onsite to help day-of.

Travel

- Younggren gave brief recap on B8W team; Younggren is communicating with coach, shared with Board the details. Behaviors continue to be an issue. Younggren has offered to sit down with coach, players and parents, coach has decided to hold off for now.
- No known concerns among BDL teams in terms of scheduling, competition, etc; feedback so far has been positive

Home Tournaments

- Younggren provided recap of current registrations. Numbers for Girls A tourney are low, free entry for Girls A teams being offered. Likely will be 4 - 5 free entries. With lower entries for Girls tournament, revenue will likely be much less than prior years.
- Younggren will share volunteer signup with travel coaches as tournaments approach. Reminder to help setup and take down on weekends of home tournaments.

School District

- Mr. Heitz relayed that gym access needs to be cleared by OSD. Need to remind all coaches and card carriers that access is restricted to your OYB designated time of use, not able to use outside of those times. OSD will be sending reminder email to card carriers about facility access. Younggren will send reminder email to OYB coaches as well.
