

Replacement Goalie Policy for Region and State Tournaments

Policy:

In the event none of a team's normally rostered goalies are available for a Region or State Tournament, a replacement goalie may be obtained by this process:

- The replacement goalie may be chosen from the same or a lower classification, but not higher playing division as defined in Youth Playing Rules Section VIII. Levels of Play A & B.
- The replacement goalie is acquired first from a team in its league or association. If a "replacement goalie is not available from within a team's league or association, a "replacement" goalie may be chosen from among the teams in its district; or failing the above, from its region.
- The replacement goalie must wear the jersey from his/her home team
- The replacement goalie must abide by the player rest rules as stated in Youth Rules, Section VIII, Paragraph J.
- The replacement goalie may NOT play if a normally rostered goalie becomes able to play.
- Must have the approval of the District Director (Both Directors if more than one District is involved) on the Replacement Goalie form.

Note: Region and State Tournament play are covered under Youth Rules, Section VI, Paragraph. C
