Buffalo Football Touchdown League

2022 Volunteer Program

Buffalo Football Touchdown League

The Buffalo Football Boosters are a non-profit organization ran by volunteers. They provide the student athletes with support throughout the football season. To make this program succeed, we need support from the football families to reach our goals. The spirit of this program is to promote volunteerism. With that in mind, volunteer credits have been structured to be easily attainable - which makes giving back a snap. Please consider volunteering and help us deliver on our mission.

The Buffalo Football Booster Club is requesting a Volunteer Deposit of \$200.00* from each family for the 2022 football season. Please know that 100% of the deposit can be earned back and the deposit check will not be cashed if volunteer commitments are met. Volunteer commitments that are not met will result in the cashing of your volunteer check (December 1st).

*If you would prefer to not volunteer and have us cash your volunteer check, please let us know at the time of turning in your check at the Fall Football meeting.

Here are the steps to claim your parent/player volunteer credits:

1. Create an account on our website: www.BisonHSFootball.com
2. Under the DIBS tab, sign up for your requested amount of volunteer credits

Commitments	Parent Commitment	Player Commitment
