**Youth Football & Cheer**

Dear Supporters of Lancaster Youth Football & Cheer,

For many years, Lancaster Youth Football & Cheer (LYFC) has been proud to offer one of the largest and most successful youth tackle football, flag football, and cheerleading programs in Western New York, impacting over 650 families annually. Our mission is to provide a safe, positive, and educational environment where young athletes can develop the fundamental skills of their respective sports.

We are deeply grateful to the town, sponsors and local families whose generosity made it possible to open the Walden Ponds Sports Complex in the fall of 2025. While there is still work to be done, your support laid the foundation for a space that will serve our athletes, families, and community for years to come.

As we prepare for the 2026 season, we are seeking sponsorships to further enhance our program. Sponsorship funds will directly contribute to the improvement of our equipment and enrich the overall player experience for the upcoming fall season.

As a registered 501(c)(3) non-profit organization, we greatly appreciate your support. Your consideration is invaluable to us, and we thank you in advance for helping us continue to make a difference in the lives of our athletes.
