DISQUALIFIERS

I understand that disqualification from all events and/or activities will result (subject to the right to request a hearing) if I have been found guilty, pled guilty; or pled nolo contendere (no contest) regardless of adjudication or received court directed programs and/or other sentencing directives in lieu of a finding of guilt, for the following criminal offenses; All Sex offenses, Murder, and Homicide regardless of time limit; Felony Violence and Felony Drug offenses in the past 10 years; any misdemeanor violence offenses in the past 7 years; any multiple misdemeanor drug and alcohol offenses within the past 7 years; or any other crimes (not listed) against children in the past 7 years (the time frames associated with the categories of crime listed above are calculated based on the date of the offense).

Any criminal conviction, finding of guilt, guilty plea or plea of nolo contendere for an offense listed above that occurs after the initial background screen has been completed will require the applicant to resubmit for a Background Screen clearance before further participating in junior events and/or activities.

Falsification of any information on any registration application or this form is grounds for membership revocation or restriction of membership. A conviction or falsification of information that results in a failed background screen forfeits all fees paid with my registration application.

By signing the Background Screen Consent form, I agree to report to the Regional Volleyball Association any convictions for offenses found in the Automatic Disqualifier list that may occur between this background screen and the next mandatory screen for USA Volleyball.
