

# Parent Meeting

2023 Summer Season

## HFC VISION:

The Huskies Fastpitch Club (HFC) strives to teach dedication, commitment, teamwork, and respect while providing each female athlete the opportunity to develop her skills and passion for the game of softball.

# HFC Goals

- **Align with the goals of the Owatonna High School softball program**
- **Create a positive and fun learning environment**
- **Improve the skills, confidence and enjoyment of the game at all player levels**
- **Teach the ideals of leadership, confidence and respect for teammates, opponents, coaches and umpires**
- **Promote the game of softball by encouraging good sportsmanship from players, parents and spectators**

# Philosophy

- **Playing Time**

- Balanced (not necessarily equal) playing time is to be dictated as much by commitment and attendance as skill level.
- Development of players, particularly at the younger age levels and lower tiers, is valued over a winning record.
- U10-U12: each player should learn and play several positions.

# USA / MN SOFTBALL REGISTRATION

- **All HFC players ( U14 & under) are required to be registered with USA/MN Softball to participate in league and tournament play. If your daughter has played HFC in the last 2 years you likely have a player(family) profile and account. If not you will need to register for one. Once registered, the player's birth certificate will then need to be uploaded for compliance purposes. To register, login, and / or upload a birth certificate, please visit MN softball at [lpsmn.com](http://lpsmn.com)**
