Dear Prospective YLHS Track Families,

The 2021 Track & Field season is just around the corner and it's time for us to share some key information with both our newcomer and returning athletes and their families.

While these are uncertain times for athletes across all sports, it is important to note that **Track & Field is one of the very few sports the CIF has deemed safe enough to proceed in Counties with widespread COVID-19 cases.** As such, Track & Field offers an opportunity for athletes in other sports who are at risk of having their seasons canceled to participate in meaningful competition this year. **It is not too late for a student to join the YLHS Track & Field team!**

To that end, we are encouraging you to attend a very important **information session this coming Tuesday evening (February 16th) from 7:00 to 8:00 PM** **The Zoom link is at the bottom of this email.**

During this meeting, we will cover a variety of topics inclusive of the expected season schedule, safety guidelines and changes, uniform purchases, volunteer opportunities, and Fair Share contributions.

Thanks and looking forward to seeing you on Tuesday!
