

New England Elite Softball Scholarship

The New England Elite program is proud to award the New England Elite Softball Scholarship to a deserving softball player within our organization. We all deal with adversity in our lives and it's how we respond to that adversity, not the adversity itself, that defines us. At Elite we take great pride in being mentally strong and dealing with adversity head on and the winner of our scholarship will embody those characteristics on and off the field.

Eligibility – This opportunity is open to any prospective first year student of a secondary education within the New England Elite Softball organization

Requirements – A two page essay focused on **how the author has dealt with adversity in the past and how she has used that adversity to ensure future success on and off the fields of play** must be submitted by May 1 to either of the following addresses:

Email – travisdemmons@yahoo.com

US Mail - Travis Demmons
 9 Bruschi Road
 Windham, ME, 04062

The submittal should include your essay, your name, your desired area of study, and your address.

The winner will be announced no later than June 30 and will receive a \$1,000 check to apply to their educational costs.
