

# Montachusett Ski & Snowboard Club's Weekend Trip

**January 11, 2019 – January 13, 2019**

Sugarbush Ski Resort, located in Northern Vermont's Mad River Valley, is one of Vermont's favorite ski areas. Sugarbush consists of two mountains, Mt. Ellen and Lincoln Peak, and is home to more than 4,000 acres, with nearly 600 skiable acres plus 2,000 acres of backcountry skiing in the Slide Brook Wilderness area. "The 'Bush" has beginner terrain (20%), Intermediate (45%) and advanced to expert (35%) accessed via 16 lifts. A classic New England skiing adventure.

Experience the charm and hospitality of a Sugarbush Country Inn. Whether you prefer a relaxing evening reading in the wood paneled library or a chat by the sitting room fireplace after a day on the slopes, the Inn looks forward to showing you their hospitality. The floors creak and the fires crackle and it shouldn't be any other way. The Inn features gracious rooms with private baths and cable TV. Continental breakfast and access to the Health & Recreation Center (indoor pool, hot tub, sauna & more) are included. The inn is conveniently located less than one mile from the

base of Lincoln Peak and on the Mad Bus shuttle route.

A continental breakfast is provided with the room and features both hot and cold food options for you to fill up on prior to hitting the slopes in the morning.

Lunch is usually taken on the mountain where the Lincoln Peak Lodge and the Mount Ellen lodge offer cafeteria cuisine. There is also Rumbles Kitchen at Clay Brook Lincoln Peak (7am - 9 pm) and Castlerock Pub Lincoln Peak area (noon - 9:30 pm).

Evening dinner options you have at the Inn "Fit to be Thai'd" (3pm - 10 pm) and at the resort you have Rumbles Kitchen and Castlerock Pub serviced by the shuttle.

The shuttle will also service rides to Warren, VT where there are a number of other dining options available.
