

## **HDC Meeting Minutes – Feb 10th, 2020**

**Attendance:** Corey Rupp, Neil Huewe, Andy Haskell, Bob Brink

**Absent:** Kurt Knott, Mike Johnson, Pete Stanke, Tony Manaussau

**HDC Member Change**– The HDC unanimously voted to appoint Channing Boe as new member to HDC. He will be replacing Tony Manaussau as HDC member. Recommendation is to Board to be approved at next Board meeting.

**Team Updates**– Team updates were discussed and nothing alarming stood out. Carrie Fish brought up questions about Squirt A White team. Joe Prokop asked plans for next season in peewees but due to point of season and success in development of the kids we will be discussing team numbers and make up at a later date for next season.

**Spring Ice** – Spring Ice program is all set up and registration is live. We have finalized lead coaches who will coordinate to get other coaches there to help. We also want to spread the word that ice is available to rent to any groups looking to book Spring Ice.

**District Seeding Meeting**– The district seeding meeting is the evening of the 10<sup>th</sup>. Neil has everything he needs for the meeting and where teams should fall. One item HDC recommended be brought to the district meeting is to recommend a rule where parents are not allowed to ref their kid's games. We know small towns are challenged but would like to recommend a discussion about this,
