

## Requirements for Rock Soccer Board (As of August 19th, 2020)

- 1) The board or its designee will track and organize all attendance sheets to enable the prompt execution of contract tracing and parent communication if a Covid exposure occurs.
- 2) In the event of a potential or medically determined case of Covid, the board or its designee will contact all players who have been in a training session with the at risk player. The contact will occur within 24 hours (ideally 8 hours) and will require direct phone conversations with affected parents.
- 3) The board or its designee will track return to play paperwork for any at player who tests positive for Covid and will notify the coach when the player is medically cleared to return to participation
- 4) The board or its designee will randomly monitor practices to ensure all parents, players, and coaches are complying these requirements.
- 5) The president of the board and/or registrar will monitor guidance from the Madison Area Youth Soccer Association, the Wisconsin Youth Soccer Association, the Rock County Health Department, and the Janesville School District.
- 6) The board will provide supplies for sanitizing of coaching equipment
