General discussion reviewing the season at each level. Overall players are developing and enjoying the season. Certain levels are experiencing more wins than others. We don't want to focus on wins and losses, but rather on development. Fun to see teams having success. Focus on sportsmanship regardless of the outcomes of a game.

**Checking Clinic:** Brief discussion about the checking clinic at the end of the season. We want to make sure we get this scheduled before ice out and encourage 2<sup>nd</sup> year Pee wee's to attend. Important tool to retain pee wee's that are concerned about transitioning to bantams.

**Next Meeting will be February 16th, 6:30pm at Queen Bee's in Paynesville.**
