

Welcome to the 2019 Fall/Winter Season!

We are so excited to welcome you to the East County Softball Family for our Fall Season!

Regardless if this is your first season or 5th, we are thrilled to have you join us as this will be a great season full of learning, growth and most importantly. . . . FUN!

Part of what makes Softball so amazing is the group effort it takes to truly become a **TEAM**. Because of this, we are doing something a little different this year, and will be holding our first *Fall Season Assessment Day*.

Assessments are a great way for the girls to come out, meet new friends and highlight their strengths. It also allows our coaches to help pinpoint areas of development to focus on, as well as ensure we have well rounded teams that will allow all of our players, brand new to the experienced, get the most out of this season.

ASSESSMENT DAY: Saturday, August 10th, 2019

Who Comes?

8u: Pitchers & Catchers ONLY *If trying out as a pitcher/catcher ONLY, attend assessments

10u: Last names M-Z Check-In

12u: Last Names M-Z Check-In

***11:00am-12:30pm: Assessments**

Want to know what to expect at Assessments?

Let's be honest, the word "assessment" can be a daunting term for even the most experienced player. But that is NOT what this day is about. This is NOT a tryout, but instead a time for coaches to evaluate and make a game plan for the most successful season they can have.

Players will participate in 2 main assessments: fielding and hitting. They will get the opportunity to catch pop fly's, throw to various bases as well as hit off of the pitching machine and run the bases/slide. They will not be asked to do anything they are uncomfortable doing, so if your player is not yet sliding, do not worry! Our goal is for the girls to walk away from assessments feeling great and ready to play ball!

We look forward to seeing you Saturday, August 10th!
