OHHS – Oak Hills High School (North = New Gym, South = Old Gym)

Tryouts for grades 4-6 will be closed (parents are not able to stay and watch)

If they don't make a Select team they will be placed on a CPYBL/Rec team = RISK FREE TRYOUT!

Youth Programs and Descriptions

Select – Grade 2nd-6th. These teams will have 2 practices per week and participate in the CPYBL and typically participate in several tournaments throughout the season. There are two tryout dates for Select teams. These teams play from October to March. If a player attends the Select tryout, but is not selected they are still placed on an Oak Hills team in the CPYBL/Rec League. Tryouts for boys Select will be run by Oak Hills Varsity Staff. OHYA has worked very hard to make sure we have 3-4 select teams per grade and that those teams compete at an appropriate level within the CPYBL.

Rec League – Grades 3rd-8th. These teams will practice 1 day per week and participate in the CPYBL. Teams will travel to play games on Saturdays and Sundays. There is an evaluation date and teams are divided up from the evaluation. Please note this evaluation is different than the Select Tryouts that happen at the end of September and early October. These teams play from November to February. Players are strongly encouraged to attend a Select Tryout so that they can be evaluated and placed at the appropriate level.

***Rec teams for 7th & 8th grade are not formed until middle school tryouts have been completed in late October/early November. If we don't have enough interest for girls at these grades they will not offer/form teams.**

Little Dribbler's – Grades Kindergarten, 1st & 2nd grades. There will be two leagues within little dribblers. We will have a league that consists of just Kindergarten and 1st grade students and we will have our 2nd grade only league. Practice time will be once per week and games will be 1 per week. The cost is \$50 and athletes get an Oak Hills t-shirt for their uniform. Rim heights will be 8'. This season runs February into March.

*** Registration for this will open in December ***
