Montclair Hockey Club

Mission Statement

The Montclair Hockey Club endeavors to teach children that commitment, perseverance, and passion are what transforms dreams into goals realized; this process of achieving should be fun; how one conducts oneself in this process is as important as achieving the goal itself. Teamwork, fair play, and respect for others on and off the ice are what define a true champion. Our programs stress the development of skills and teamwork that will create a solid foundation for any hockey player.

Our Philosophy

Youth Hockey is about the players and MHC takes a relatively unique position in this regard. We understand winning is important and everyone from our coaches to the players want to win but we must also remember that winning in youth sports is not the ultimate goal; it is a means to an end. MHC focuses on the development of each player's skill level, character, sportsmanship and passion for the game. To accomplish this, we emphasize teamwork, respect for others, and overall having fun.

Our Facility

Home rink is Floyd Hall Arena, which is a state-of-the art twin ice surface facility, situated on the campus of Montclair State University. The facility is easily reached from the Garden State Parkway, Route 46, Route 3, and Interstate 80.

Our Coaches

Each season the Montclair Hockey Club puts together a highly experienced staff of coaches. Our coaches have the hockey knowledge and skating ability to develop your children in the sport of hockey. Some have played professionally, some at the collegiate level, some are local high school coaches, many still continue to play today, all are focused on helping players become better hockey players.

General Information

Travel team hockey is an intensive level of competition comprised of teams organized according to USA Hockey-sanctioned age levels. The Montclair Blues teams may participate in the New Jersey Youth Hockey League (NJYHL), the Eastern Junior Elite Prospects League (EJEPL), and the Mid Atlantic Women's Hockey Association (MAWHA). Our travel teams typically play games throughout the tri-state area. Each team practices twice a week and on average play one home game and one away game per weekend. Our home rink is Floyd Hall Arena but some teams may end up with some home practice or game slots at other local arenas.

For the 2019 season player tuition covers: Uniforms, Conditioning Camp, Practice Ice, Home Game Ice, Tournament Fees (club pays entrance fee for up to 2 tournaments depending upon team), and for some teams a formal Off-Ice Conditioning program.

Bantam and Midget hockey involves body checking, whereas Peewee, Squirt and Mite levels do not. Full hockey equipment is required, both for the season and for tryouts.

Team members are selected after the tryouts. **Attendance at all tryout sessions is strongly encouraged; missing a tryout session puts an applicant at a disadvantage and will only be permitted at the discretion of the Travel Director.**

The Montclair Hockey Club reserves the right to decline any application.
