

November 2021

AHA Families: We are thrilled to have you as a member of the Cougar Family!

Below is a brief overview of the fundraising options and how to use your credit towards your fundraising requirement of \$200.

SCRIP PROGRAM: AHA offers year-round fundraising credit through the purchase of gift cards. E Gift cards are purchased through the Raise Right App. Various percentages from gift card purchased will be credited to your account. If you are interested in participating in the scrip program, please contact Stacey Vilhauer at 605-999-1268.

KUCHEN SALES: This has become quite popular within the last few years at AHA. We partner with Grandma’s Kuchen to sell delicious kuchen. A certain percentage of your sales will be credited to your fundraiser requirement. Selling and distribution of kuchen will vary and will be determined at start of hockey season. Stay tuned!

RAFFLE TICKET SALES: Raffle ticket booklets with various prizes will be provided during set timeframe to be sold. Sold tickets (stubs) must be turned in by designated date (to be communicated). This year booklets will be in books of 10 tickets with a value of \$100. Winners will be announced at one of the last home Varsity games (February).

BUY OUT OPTION: Each player may participate in one, all, or some of the fundraisers listed. If any player or family opts to forego the above stated options, a payment to the AHA in the amount of \$200/player will be required.

Tracking Earned Credit: On our website at www.aberdeenhockey.com , a spreadsheet with credit per family ID will be available and updated regularly. We encourage each family to keep a log of their fundraisers and credit earned.

=====RETURN THIS SECTION=====

I have reviewed our family fundraiser credit for the 2021-2022 season.

Please deduct \$_____ from our family Fundraising Credit.

PLAYER NAME: _____ TEAM: _____

Family ID number: _____ Date: _____

*Submit this form to the fundraiser coordinators in lieu of full or partial payment of your players fundraiser requirement of \$200/player.
