

## BASA UMPIRE APPLICATION FORM

Do you love softball? Have you been “itching” to get involved? Maybe you need to earn some extra money. We have a great opportunity for you.

**The Burlington Amateur Softball Association is recruiting umpires for the upcoming season.**

We are looking for umpires for our House League program for the Mite, Squirt, Novice, Bantam and Midget divisions. Students (age 11 and up), parents, grandparents, or anyone else who enjoys softball are welcome.

Training will be provided. Umpires new to the Association must attend the 1-day Junior Development Clinic which is typically held in the month of April. Returning umpires should contact the office to discuss whether or not they are to attend the clinic. BASA will reimburse all BASA umpires for the full cost of the clinic.

Please complete the information below and submit the application to Kent Barber @ [basaexec.scheduler@gmail.com](mailto:basaexec.scheduler@gmail.com)
