

2024 OJW ATHLETE REGISTRATION INFORMATION

The Oxford Junior Wildcats (OJW) would like to welcome you and your family to our 2024 Registration Night. For more than eighteen years, the OJW Program has been providing a positive and safe environment for Oxford area youth to learn the importance of teamwork and an active lifestyle. The families in our organization have had the opportunity to create lasting memories and deep friendships that extend throughout each year. Due to the success of our program, we have a limited number of open positions each year and registration is based upon a first come basis.

OJW membership requires both parent and participant responsibilities before and during the season to ensure a successful year.
