Lake O' the Pines Info

Date: Saturday, July 19th

Times: Safe light (approx. ~6:00 AM) to **1:00 PM**

Morning Check-in:

- Boat Launch Lakeside Park Boat Ramp
- Each boat must pick up their **scales and** key fob off the board with their boat number on it.

Launch Location: **Lakeside Park Boat Ramp**

5177 FM 726, Jefferson, TX 75657

Format: MLF Style using our Scales

Afternoon Check-In:

- Place key fob back on the board by **1:00 PM**
- Please turn in completed score card and scale.

Any questions call Richard Bush 979-906-1470

Lake O' the Pines Info MLF Style

Weigh-In Approach:

- Because of the heat, we will use the MLF Style Personal Scales in each boat and allow the weight of the BEST 5 bass of ANY SIZE for each angler.
- We also will let each angler keep their single largest bass in the livewell and bring it to the stage to show it off and have their total weight announced. This bass must be over **14 inches** in accordance with state law.
- I will need parent volunteers at the tournament site in the afternoon to assist in validating score cards and placing them in order by age group and keeping track of big bass by age group.
- Scales will be provided to each boat captain at morning check-in – there will be no special training sessions. If you are a new captain that has not used these scales in this format we will go over it with you in the morning. Please allow time for this. We will use the “decimal” (not ounces) feature of the scales.
- Please make sure your scale is working properly before leaving in the morning.
- Angler and captain must complete and turn in the score card for each angler.

Any questions call Richard Bush 979-906-1470

Lake O' the Pines Info MLF Style

Weigh-In Approach:

- Each fish is to be weighed, photographed, and released
Exception – each angler can keep their largest legal fish in their livewell if within the judgement of the captain the livewell is cool and aerated to provide a safe environment for the bass.
- Captains to send pictures to Richard 979-906-1470 during the competition day so he can prepare for weigh-in
Picture should include scale readout, at least enough of the fish to identify it as a fish, and if possible the face of the angler
- Check in at trailer by 1:00 PM by turning in key fob and returning scales.
- Stand in line with weight card and up to 1 fish per angler.

Any questions call Richard Bush 979-906-1470
