

## ONTARIO VOLLEYBALL ASSOCIATION (OVA) TRANS INCLUSION POLICY

### Definitions

1. These terms will have these meanings in this policy:
  - a) **Individual** – Registered participants including but not limited to, athletes, coaches, referees, directors, managers and administrators.
  - b) **Gender** – The complex relationships between physical traits and one’s internal sense of self as male, female, both or neither as well as one’s outward presentation and behaviours related to that perception. Gender is not inherently connected to one’s physical anatomy.
  - c) **Gender Identity** – each individual’s internal and individual experience of gender.
  - d) **Gender expression** – how an individual publicly presents their gender.
  - e) **Trans or Transgender**– An umbrella term that describes people with diverse gender identities and gender expressions that do not conform to stereotypical ideas about what it means to be a girl/woman or boy/man in society. Trans can mean transcending beyond, existing between or crossing over the gender spectrum. It includes, but is not limited to people who identify as transgender, transsexual, cross dressers, or gender non-confirming.
  - f) **Transsexual** – A person whose gender identity differs from their sex assigned at birth. They may or may not undergo medically supportive treatments.
  - g) **Gender reassignment** – medically-supervised program of treatment to change a person’s body to align with their gender identity, through hormone therapy and/or surgery.
  - h) **Discrimination** – when a person experiences negative treatment or impact, intentional or not, because of their gender identity or gender expression. It can be direct and obvious or subtle and hidden, but harmful just the same. It can also happen on a bigger systemic level such as organizational rules or policies that look neutral but end up excluding trans people. Friends, family or others who face discrimination because of their association with a trans person are also protected.
