Good afternoon members,

First off I would like to say congratulations to all this year's youth hockey teams with their success in the season. What a year it has been! I want to thank each and every one of you for your continued support of Falmouth youth hockey.

This week we had a great turnout for our 2024-2025 season tryouts. Please note spots have been left open on the A and B levels; there will be an opportunity for players to move up. They will be evaluated at their team practices in the fall.

For any additional questions please reach out to your division directors
