

New Online Umpire Registration Process for 2018!

Previously Registered Umpires: *You will need your USA Softball Member ID number, which can be found on your ID card issued last year. Your information is already in the system. In order to keep your registration on schedule, **DO NOT CREATE A NEW PROFILE**, as this will only delay the process.*

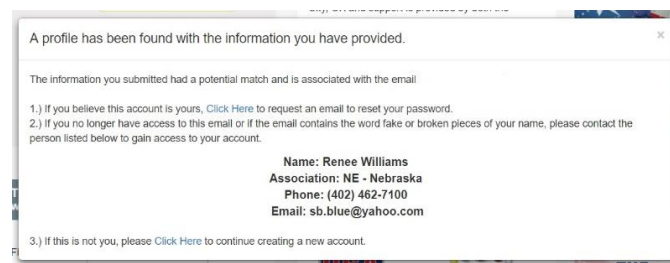

Please follow these steps:

1. Begin by clicking on "Retrieve Login with ID card" below the username and password fields.
2. Enter your information in the fields and click "Find my profile". You may be asked to verify additional information.
3. Once you have verified your information, your account username will be shown. You can then create a password. Please make note of these credentials, as you will need them to register each year.
4. Once you are directed back to the login screen enter your login information to begin your registration. You can review this [Registration Help](#) document before you begin or follow along as you go. If you have any questions or problems, please call the state office at 402-462-7100 and Teresa or Erin can help you.
