

Wildcat Baseball Community Service Award Program Guidelines and Hours Submission Form

Eagan baseball players who are interested in participating in the Eagan Wildcat Baseball Community Service Award must fill out the hours form at the bottom of the page for **EACH** community service event. (Save a copy for your records.)

Players who participate in the Wildcat Baseball community service program must complete at least 25 hours (20 Hours for 9th graders) of applicable community service between May 1 of the previous year and May 1 (or the date forms are due) of the current year in order to qualify for the current season award. Most community service activities can count toward the award, as long as players are not compensated for the activity, and they have not already used the hours to qualify for another community service requirement.

Examples of Community and Baseball Related Service:

- Community Work: Goodwill, Feed My Starving Children, Food Pantry, etc.
- School: Peer Tutoring, Mentoring, etc.
- Church Sponsored Programs (Can't double up with confirmation requirements.)
- Wildcat or Youth Baseball service: Working camps, clinics, volunteer assistant coaching, etc
- Basketball, football or other sport fundraising and activities (if not compensated)
 - Salt Sale counts 3-hours each season if players participated and did not rely on parents for delivery
- Other Approved Activities (e.g. Help someone in need without receiving money.)

Please fill out the form below and return it to in the drop box at the Husemann Home (3963 Tems Avenue, Eagan) by **May 20, 2022**. If you or your parents have specific questions, please contact Beth Rocheford, Wildcat Service Award Coordinator, at beth.rocheford@gmail.com. Please make additional copies of this form, as you will have multiple activities to report. Wildcat Baseball
