## "NOISES OFF"

On September 22, 2012, a much smaller crowd of folks (11) attended BBSC's Shakespeare Night performance of "Noises Off" It was a perfect evening as we met in the nature reserve for socializing and picnic suppers before the performance. The only thing missing was the rum cake!

Noises Off certainly was a mesh-mash of colorful actors rehearsing a certain to be flop of a play. As you watched all the wacky backstage shenanigans of live theater, with doors slamming, on-stage and backstage, sardines coming and going, you couldn't decide who was more important the actors or the sardines, (which were a major player) of this hilarious play. It was hard to control your laughter at this whimsical attempt of putting on a play that goes completely wrong. This performance kept your attention and belly laughing all the way through and the group thoroughly enjoyed it.
