

SLBRL SPRING/SUMMER 2023 ALL-STAR COMMITMENT FORM

****PLEASE READ, SIGN, AND RETURN****

Each year the SLBRL managers select players in each age division to represent their teams and the league in post-season tournaments. Understanding there are limited spots available for players, the SLBRL requires this commitment form to be completed, signed, and returned to the age director prior to All-Star selection for players to be eligible to be nominated and considered for All-Stars. This agreement does not mean your child will be selected for All-Stars. Instead, it simply confirms your child is available for the entire tournament process. The tournament process generally includes practices, tournaments, and the district tournament.

The League pays for the entrance fees to league-sanctioned tournaments; however, other expenses such as uniforms and travel costs are the responsibility of each individual team and its participants. All players selected for an All-Star team must pay \$250 (price may change based on fundraising) by May 5, 2024 for the uniforms and start-up costs for local tournament play. Any sponsorships solicited by All-Star team participants must be used to cover both team expenses as well as your own child's expenses. Should additional expenses arise or if sponsorships are not adequate to cover all expenses, participants will be responsible for the difference.
