

# ICE CASTLE

412-561-9090

990 CASTLE SHANNON BLVD. PITTSBURGH, PA 15234

May 2020

While we at Ice Castle await the CDC guidelines for reopening, we used the shut-down time to thoroughly sanitize and remodel all areas of our facility to provide a safe and healthy environment for our loyal and faithful customers. The following is a listing of those improvements for your review:

- Brozone sanitized the entire building.
- Removed player bench flooring and Clorox-scrubbed all areas prior to installing new rubber flooring.
- Scrubbed and sanitized inside and outside of the dasher boards.
- Adjusted all access doors to and from the ice and sanitized all hardware.
- Cleaned all and replaced any damaged rink glass.
- Both ice surfaces were repainted with fresh lines and logos.
- Clorox power washed all bleacher seating.
- Repainted all bleacher handrails.
- Deep scrubbed all rubber flooring surrounding both rinks.
- Power bleach-scrubbed all locker room flooring including Girls' locker room, Referee rooms, and Coaches room and applied sealer to all areas.
- Applied new rubber-based epoxy shower room flooring in all locker room showers following muriatic acid cleaning and preparation.
- Scrubbed and sanitized all locker room benches.
- Painted all locker room walls, doors, and hardware as well as the hallways and toilet room areas.
- Sanitized all door hardware in the entire facility.
- Painted all doors and walls into the rink areas.
- Lobby, balcony, party rooms, and bar carpets cleaned and sanitized.
- Replaced Pro Shop and Banquet Room carpeting.
- Repainted lobby, public toilet rooms, party rooms, banquet room, and snack bar.

- Clorox deep-scrubbed public restroom flooring, toilet partitioning and all doors, frames and hardware.
- Scrubbed, sanitized and repainted the coin-operated storage lockers.
- Scrubbed and sanitized all walls, carpet, and machines in Mason's Madhouse Arcade.
- All lobby vending machines were cleaned and sanitized.
- All snack bar cooking equipment and refrigeration degreased, scrubbed and sanitized, and flooring Clorox-scrubbed and sealed.
- Cleaned and sanitized all tops and bottoms of all lobby, balcony, and party room tables and chairs.
- Repainted main stair and balcony railings and walls.
- Scrubbed and painted balcony viewing windows and rails.
- Power washed and sanitized all trash receptacles and removed push-open doors, eliminating hand contact.
- Cleaned and sanitized all gym flooring in IC Fitness and deep Clorox-scrubbed locker room floors. Deep cleaned all showers and toilet fixtures and partitions.
- Sanitized all doors, frames and hardware in IC Fitness.
- Sanitized, sharpened, and replaced worn liners in all rental skate inventory.
- Installed hand sanitizing units throughout the facility for customer use.
- Installed complete new 600-gallon high recovery 140-degree domestic water heating units to maintain ample hot water for future sanitizing.
- Replaced carpet and sanitized entire reception area.
- Cleaned and sanitized all entrance doors and frames.
- Scrubbed and sanitized First Aid room.
- Repainted parking lot lines and all yellow caution areas.
- In process of repairing heat inside rink areas.

In addition to our efforts, we encourage all of our patrons to continue taking precautions with frequent hand washing and safe distancing. Together we can achieve our goal to keep Ice Castle the cleanest, safest athletic facility possible. Rest assured that we will do everything we can to comply with mandated guidelines while implementing our own frequent disinfecting of high touch areas and daily maintaining of the areas we worked hard to make sanitary and safe. Please feel comfortable alerting us to any concerns that you may have.
