Double Rostering: In Spring, players are allowed to play on two USAH rosters. If you're playing travel hockey but want to get more ice time or games, double roster in the house program.

Travel Try-Outs: Players trying out for travel that will **NOT** play house if they make it, should **NOT** register. We need definite totals at draft time (to determine the number of teams, coaches needed, goalies, and to balance teams). You may be added after the draft if there's room.

**Days are tentative. Some games will be played at other rinks. All information is subject to change depending on the number of players, teams & available opponents.*

Coaches: If interested in being a head coach, contact Kenny at kbenson@saginawbayicearena.com
Head coaches receive a **discount** to help offset their coaching fees.
