

If you have any out-of-Association players coming to your tryouts they MUST HAVE a 'temporary tryout release' from BC Minor. How do you get a 'temporary tryout release'?

The parents email Pat Weatherill (pess.rmd@shaw.ca) the Eligibility Chair with BC Minor. Request a temporary tryout release to tryout for North Delta's <div> summer team. Accepted reasons for a temporary tryout release :

(1) my home Association doesn't have a <div> summer team or

(2) I tried out for my home Associations' <div> summer team and I didn't make the team.

Player must bring the temporary tryout release to the tryout. If the player makes the team they'll then need to complete the formal release paperwork.

If a coach is wanting to take an out-of-Association player talk to Brent first. He'll put some guidelines in place which will help avoid some of the pitfalls that comes with cutting North Delta players for an out-of-Association player. In some instances we may need out-of-Association players to be able to field a team (ie Bantam A?).
