Nation Ford High School Boys Lacrosse 2018-2019

Dear Business Owners, Parents, and Friends of Nation Ford Boys Lacrosse,

Preparation for the upcoming 2018-2019 Nation Ford Boys Lacrosse Season is in full swing. As a self-supporting high school sport, **we do not receive funding from the school or district. Our program is funded through individual payments, sponsorships, donations and fundraising efforts.** When you support Nation Ford Boys Lacrosse, your business benefits from increased awareness in our community; meanwhile, supporting a program that is focused on growing the game of lacrosse in our community beginning at the youth level. Several new players come out each year to try the “fastest game on two feet,” thus the game of lacrosse is the fastest growing sport in the U.S.

The Nation Ford Boys Lacrosse team began in 2010. The program has continued to grow over the past 8 years culminating in a run to the State Championship in 2017. Our goal is to return to the State Championship in the 2019 season.

To assist the team in attaining their goals, we would like to offer you the opportunity to advertise your business by becoming a sponsor of Nation Ford Boys Lacrosse. **Proceeds from your sponsorship or donation goes directly to the lacrosse program** to help **offset player costs** (currently \$640 per player) and will be used for: **scholarships, the purchase of equipment and supplies, instilling healthy instruction** and building a foundation for the future of lacrosse in Fort Mill.

The sponsorship form is attached which provides detailed information about available opportunities and what is included in each level.

Nation Ford Boys Lacrosse thanks you for your consideration! We genuinely appreciate the opportunity to partner with you to promote your business in our supportive community.

Sincerely,

John Tuzin
