- Travel uniforms have been paid in full. Everything is 'in' except for hats.

### **Spring Travel:**

- Ready for Hershey, league-wide dinner is planned and hopeful that most families come out.
- Travel coaches should consider contacting USABL about playing an extra regular season double header or weekday game to avoid conflict with District Tournament.
- 13U team will be hosting State tournament, will not be involved in District Tournament because of this.

### **Website:**

- New website up and running.
- About 125 kids registered for rec. Coach registration link is live.

**AOB:**

- Bob Meade presented concern about the tournament only schedule that they will play in the spring. Concerned that kids will not play any home games at Palmer and Rock Spring. Also that the team doesn't have enough pitching to succeed in tournament play.
- Travel team ratings: should the board have input and who has the final decision.

Meeting adjourned at 8:16 pm.
