

Dear families,

FCS covers more than 75% of the cost of our athletics program. To help offset the cost of facilities, officials, coaches and equipment, we will be increasing our sports fees this year. For teams that need uniforms, each athlete will purchase their own or a fundraiser can be organized by the team to purchase uniforms. Each team is expected to conduct one fundraiser to help cover the cost of its season. Additionally, families that participate with us through The Comenius School will pay an additional \$50 per sport per athlete.

Archery: \$200 for 10 sessions  
Cross Country: \$175 (+\$60 uniform)  
Football: \$300 (+\$120 uniform)  
MS Football: \$200 (+\$120 uniform)  
Volleyball: \$250 (+\$50 uniform)
