Please arrive 15 minutes before the game.

Concession stand is not optional. It is necessary to make the program function.

Volunteers names will be on a list at the pass gate and will not have to pay the entry fee into the game.

If you are unable or unwilling to work your scheduled concession duty, please see the back of this paper for instructions.

Our concession stand provides income that pays for many aspects of the Archer Soccer Program, and adult supervision is a necessity for it to function. Each parent is responsible for providing a volunteer of 21 years of age or older for up to 3 matches. The volunteer will be responsible for collecting money and serving food which is why they must be at least 21 years old. Your time slot will be assigned during a game opposite of your player (Varsity Boys Parents work during the Varsity Girls match and vice versa).

What if I cannot work my assigned shift?

You are allowed to pay \$25 dollars per shift in lieu of working the assigned shift. This total will be added to your fundraising expectation. All conflicts must be declared by January 23rd so that we can reschedule the time slot.

What happens if I volunteer to work an extra shift?

Once open concession slots have been noted we will publish a list of openings. Parents who pick up a slot will have \$25 applied to their fundraising. You can pick up as many shifts as you want and can work at any game: boys, girls, jv, or varsity and you can work back to back shifts.

What happens If I cannot work my assigned shift but I pick up an extra?

If you pick up a shift, then you will not owe the \$25 fee.
