

What is 4,000 for \$4,000?

If 4,000 people committed \$4,000 over 4 years, then Mahtomedi would have their very first ice skating facility that they could call home. We have developed an arena plan that would present Mahtomedi with a first-rate facility capable of hosting a variety of events and not solely a hockey arena.

Where will the arena be located?

Land has been acquired on the north side of Route 12, directly east of the new Wildwood Elementary School in Mahtomedi.

Who is leading this effort?

We are Rinc 2 Corp. and we are a 501c 3 non-profit organization that is dedicated to organizing, developing and building the very first ice arena in Mahtomedi. We are committed to investing the time and effort to make this project successful for all in Mahtomedi.

How do I get more information?

You can visit www.mahtomediicearena.org to get more information or you can contact Brandon Sampair at 651-755-2954 or email him at bsampair@sampaircos.com. You can also contact Alex Rogosheske at 651-253-3127 or email him at alex.rogosheske@rogo-law.com.
