COMMITTEE REPORTS

PIRATE CHEST (Lori Jodts, Julie Angus) They will meeting together after the first of the year. Letters will be sent out the first week of January for 2018 donations.

MEMBERSHIP(Tiffany Ditchfield) There are 159 members. The cellphone card holders are still available for pick up at the home basketball games. Announcements will be made to remind members to pick up them up. It was discussed that there is a need to get the message out to parents, students, and community about involvement, scholarships, and making the OHS Booster Club more visible. Many active members have upper classmen. There is concern that there is not enough involvement to continue all the support provided to the high school and the students.
