Mesabi East Youth Hockey Association Volunteer Hours

MEYHA is made up of volunteers, so it is important that we have all of our families involved in the association so that we can continue to provide youth hockey in our community for our children. In order to keep our costs low for our families, we need to fundraise. The Hockey Hut is one of our main fundraisers each season.

Volunteer Fee

Each family will include \$250 with their Registration fee. This fee is paid back to you (via check from the Treasurer) upon completion of 20 volunteer hours. *Mini-mites are not required to complete volunteer hours, but are expected to help out with the association since you are the future.

Volunteer hours are earned in the following ways:

- Home Games (Announcer, Books, Clock, Penalty Box)
- 4-on-4 Hockey Hut shifts
- Tournaments (Running the tourney games with the above jobs, Hockey Hut hours are considered "Volunteer Hours" during tournaments, Raffle table (if running a raffle))
- Board member and Coaching Position approved by ACE Coordinator
- Other opportunities are available, too, as needs arise throughout the season.
- District Tournaments are an important fundraiser for our association and we ask that each family work at least one shift at the tournament which is February 16-18, 2024.

-Volunteer checks will be cashed on November 1st. This is a part of registration and required for your child to skate.

-Volunteer hours are tracked via DIBS. Once your 20 hours are completed, you contact the treasurer to let him/her know your hours are done and he/she will cut you a check, reimbursing the \$250.

TOTAL (NET) COST TO YOU: \$0

Hockey Hut Shifts

Hockey Hut Fee

Each family will include \$250 with their Registration fee. This fee is either HELD or CASHED, depending on your choice of OPTION 1 or OPTION 2, below:

Option 1: Families are asked to cover 2 shifts, which can be completed during 2 Youth or Junior Gold Games in the Hockey Hut during the Hockey Hut Season (Sept 1st-May 1st). NOTE: Your home tournaments or 4 on 4 games do not count for hockey hut shifts. This is approximately 5-6 hours. (Separate from the 20 Volunteer Hours.) These shifts are tracked in DIBS. Claim your shifts on a first come, first serve basis.

The \$250 check is HELD if you choose this option. **If you have not completed the requirement by February 1st the check will be cashed. This is a requirement of registration and your child will not be able to play without completing the shifts or payment. This original check is either returned to you or destroyed upon completion of the 2 shifts. Contact the Treasurer once you have completed your shifts.

TOTAL (NET) COST TO YOU: \$0

Option 2: Families are asked to cover 2 shifts via "buyout".

The \$250 check is immediately cashed and your Hockey Hut shifts will be covered by someone else (possibly an individual or group the association may need to hire to cover the requirements of our lease with the City of Hoyt Lakes).
