NEW

\$240+hst

RETURNING

\$200+hst

Jersey included in NEW registration

JERSEY

Reversible Jersey
Jerseys valid for 2019 seasons

HOW DOES IT WORK?

After you have secured your spot by making full payment, you will be invited to the combine for September 10th.

Our combine is a test of on court basketball skills and physical fitness. This will test each player's on court skills such as dribbling and shooting and also physical fitness that will test each player's strength, power, speed and agility. All General Managers & Coaches will be in attendance to evaluate.

If you cannot attend the combine, you will be drafted regardless.

On September 12th, the league and the GM's will get together to complete a draft. After the draft is completed, we will share the draft results. All 64 players will be drafted into the league.

On September 17th, the games begin!
