

Team Warm-Up Outfits

You are NOT expected to get a warm up outfit if you do not want to.

We will be keeping the same team warm-ups for as long as they make them. These are new last year. We will keep the same warm ups for as long as they are being made. This way we do not have to get different ones each year. The goal is to cut down on cost to the families. So for the new kids this year or anyone from last year that did not get one or needs a new one, below is what they will look like. They will be decorated the same as previous years. The Booster will put \$30 towards the first jacket for each person. **The jacket cost for a first time buyer is \$45.** If you have already gotten one and need a new one you will have to pay \$75. There are also matching pants. Many of the girls did not get them last year because of cost. If you would like to add them to your outfit this year they are \$38. The pants are plain black. The pants and jackets are women sized. Please fill out below if you want a jacket or pants. Just fill in what you want.

Orders are due by Friday, August 25th!
