# Welcome to Springfield

National Christian HomeSchool Basketball Championships 31<sup>st</sup> Basketball Nationals

Greetings!

I am delighted to welcome you and your families to Springfield. We are pleased and honored to have you visit our beautiful City. Springfield is situated in the heart of Ozark Mountain Country and is one of the fastest growing cities in the Midwest. We trust your visit will be rewarding and that you will take advantage of the many opportunities available in Springfield, such as:

Visiting the **Wonders of Wildlife National Museum and Aquarium**. Wonders of Wildlife was voted America's #1 Best New Attraction in 2017 and America's Best Aquarium in 2018. It is located at the Bass Pro Shops Outdoor World—the first and largest Bass Pro store in the world.

Relaxing in **Jordan Valley Park**. Featuring the Jordan Valley Ice Park, a multi-purpose facility featuring two NHL-size ice sheets, and an adjacent 12-acre park with a fountain and water feature designed to evoke an Ozarks stream. In the fall of 2003, we opened a new 110,000-square-foot Exposition Center with an adjacent parking deck. In addition, the Springfield Cardinals, a Double A affiliate of the St. Louis Cardinals, opened their inaugural season in April 2005 at the new Hammons Field baseball stadium, which has a capacity of 9,200. A short walk on the new Jordan Creek Greenway, or a drive on new Streetscapes, links the Jordan Valley development to our traditional downtown area.

Enjoy the unique offerings of **Downtown**. Downtown Springfield offers a plethora of experiences across a wide range of interests and tastes. It is home to art museums with impressive exhibits, as well as a vibrant array of eateries and fine dining experiences. Those with an interest in the performing arts would be encouraged to visit the historic Landers Theatre, or the Gillioz Theatre. Originally constructed in 1909, and recently renovated, Landers Theatre offers an excellent performance that is fortified by the theatre's Renaissance Baroque Napoleon-styled architecture. The historic Gillioz Theatre offers entertainment in a variety of forms: Broadway productions, film premiers, seminars/conventions, and concerts, just to name a few. There are also several attractions in the area surrounding Downtown. One such attraction is the Discovery Center of Springfield, an interactive, hands-on science museum committed to inspire life-long learning in people of all ages. Historic Walnut Street is composed of over 100 houses incorporating 19<sup>th</sup> century architectural elements, most notably of the Queen Anne style. Juanita K. Hammons Hall for the Performing Arts lies on the nearby campus of Missouri State University and showcases Broadway shows, symphonies, dance routines, and other performances.

**Other attractions.** Springfield is home to many area attractions such as the Missouri Sports Hall of Fame, Wilson's Creek National Battlefield (Civil War), Dickerson Park Zoo, and nine public and private golf courses. You might also enjoy visiting our Mizumoto Japanese Stroll Garden, which is complete with an authentic tea hut.

We are truly proud of our City and thank you for visiting it. On behalf of the City of Springfield, we welcome the National Christian HomeSchool Basketball Championships 31<sup>st</sup> Basketball Nationals and look forward to sharing with you the hospitality of the "Queen City of the Ozarks."

Sincerely,

A blue ink signature of Ken McClure.

# Welcome to Springfield

Athletes, parents, family and fans:

It's almost time to tipoff the largest home-school sporting event in the world, the 2023 National Christian HomeSchool Basketball Championships!

On behalf of the Missouri Division of Tourism, let me be the first to welcome you to Springfield, Missouri, and the Show-Me State. While there will be plenty of thrilling action on the courts this week, it's our hope you find time during your stay to explore Springfield – the state's third-largest city – and other destinations and attractions in the Ozarks.

Springfield, known as the Queen City of the Ozarks, has ample opportunities for shopping, dining and recreational activities. And there are plenty of comfortable rooms – about 6,000 of them across the city – where you can rest after a day of fun on or off the court.

Getting to and from Springfield is very convenient, thanks to interstates and major highways, along with the Springfield-Branson National Airport. No matter which route you take, you'll find a welcoming community with abundant amenities when you arrive in Springfield.

And one of the best things about your time in Springfield is, it won't break the bank! Springfield consistently ranks highly in the "Corporate Travel Index" ranking of least expensive convention cities in America.

We join 6 million Missourians, including 170,000 residents of Springfield, in extending you best wishes for a fun, successful and healthy trip to the NCHBC Nationals. We truly appreciate your confidence in our ability to meet your needs.

Sincerely,

Stephen Foutes
