

## **Trustee's Report 2018**

Thank you to all the SAM members, volunteers and supporters of our organization for another successful season on and off the ice. SAM's fundraising efforts raised more than \$45,000. We appreciate all who participated in this accomplishment.

We also wish to acknowledge the financial support of businesses and individuals who made donations to SAM allowing us to award scholarships and opportunities to our skaters.

We urge our community members who support United Way to designate a portion of their donations to SAM.

Congratulations to all our skaters for their achievements.
