Introduction and Camp Overview:

Hello! My name is Jess Vadnais, and I am the head girls basketball coach for Hudson High School. This is the sixth year that I am running the annual HBA Youth Camp as the head coach, and have been involved with the camp for eight years now. I enjoy working hand in hand with the HBA to develop the girls basketball program for our community. Last year's camp was very successful, and I'm hoping your daughter can participate this year as a returning or new player to our program!
