## PREVIEW

Indy Eleven returned to winning ways on Wednesday in its first of two home matches in Week 6, powering past Hartford Athletic 4-1. Eleven forward Nick Moon opened the scoring just four minutes into the match, tallying opening both his accounts for the club and USL Championship. Hartford Athletic came back moments after the start of the second half, but it wasn't long before goals from Tyler Pasher (already his fourth game-winner of 2020), Drew Conner and Matt Watson extended Indy's home undefeated streak to 28, including 11 consecutive wins.

Sporting Kansas City II picked up its first win and points of 2020 on Wednesday, overcoming home side Louisville City FC 2-1 via an 83rd minute goal from Wilson Harris. While SKC II sits at the foot of the Group E standings through its first four outings, its midweek win against Lou City and a trio of one-goal defeats have put the Eastern Conference on notice that this is a different side than the one that ended its 2019 campaign in the conference cellar.

This will be the second time SKC has made the trip to Indy this season, the previous match a 2-1 win for Indiana's Team back on July 18. Paddy Barrett scored the winner in that game, a beautiful effort from just outside the box that curled into the right corner. Harris bagged the lone goal for Sporting, scoring between Tyler Pasher's opener and Barrett's finisher.

### 2020 USL Championship Regular Season Records Table

Indy Eleven: 5W-1L-OD, 15 pts. (+8 GD), 1st in Group E

Sporting Kansas City II: 1W-3L-OD, 3 pts. (-2 GD), 4th in Group F

### SERIES HISTORY:

With the first meeting between the two clubs occurring just over two weeks ago, Indy Eleven is looking to keep its spotless all-time series record (3W-0L-0D) against Sporting KC II intact this Saturday.

Indy kicked off the first of four home matches against SKCII on July 16 in a thrilling 2-1 win against the visitors. Indy forward Tyler Pasher opened the scoring – his fourth goal in three games – at the edge of the first half, but it was long into the second stanza before SKC's Wilson Harris leveled the game. Eleven captain Paddy Barrett stepped up and put the game-winning goal into the net just after the hour mark, extending Indy Eleven's perfect start of the 2020 season to 3W-0L-0D.

Indy Eleven and Sporting KC II met twice before in 2019, ending in a pair of victories for Indiana's Team. USL Championship career scoring leader Dane Kelly scored twice in both games against SKC last season, pacing Indy to a 3-1 win at Children's Mercy Park on April 15 and a 2-1 triumph in the squad's season-finale on Oct. 16 – the last game in which SKC would perform under its former Swope Park Rangers identity.

04/15/19: SKC 1:3 IND [IND: Kelly 2', Enevoldsen (Kelly) 6', Kelly 53'] (SKC: Harris (Alexsander) 26')

10/16/19: IND 2:1 SKC [IND: Kelly (Ayoze) 56', Kelly (Walker) 67'] (SKC: Harris (Decker) 57')

07/18/20: IND 2:1 SKC [IND: Pasher 39', Barrett (Ilic) 67'] (SKC: Harris (Mompremier) 53')

### #INDvHFD Roster Connections

Tyler Pasher is the only player on Indy's current roster to have played for Sporting KC II, donning the "baby blues" of then-Swope Park Rangers (SPR) from 2016-17. In addition to scoring five goals in that stint, Pasher's seven assists still places sixth in the category all-time for the club. Other former Eleven players to have suited up for both sides are Dane Kelly (Indy in 2019; SPR in 2016) and Soony Saad (Indy in 2018, SPR in 2017).

On the Sporting Kansas City II side, 18-year-old Brooks Thompson is the only Hoosier on SKCII's active roster. The Jefferson-born and Floyds Knobs-native Thompson was signed by the Sporting Kansas City Academy from IMG Academy in 2018 and offered a USL Championship contract on March 7, 2019.

One other connection to the Hoosier State is goalkeeper Eric Dick, a graduate of Butler University who suited up for SKC II last season and is currently on-loan to Phoenix Rising.

### "... but 5 outta 6 ain't bad."

With Indy Eleven returning to its winning ways on Wednesday night, it took the sting immediately away from the suffering of its first defeat last Sunday at Saint Louis. Taking full points from five out of the first six games has Indiana's Team at the top of the entire USL Championship with 15 points, making it one of only two clubs in the 35-team league sitting on double-digit points as we continue through Week 6 alongside Landon Donovan's San Diego Loyal side (10 pts.).

Its four straight wins to start 2020 made Indy just the fifth team to open a Championship campaign with four consecutive victories, matching the 2018 editions of Louisville City FC and Real Monarchs SLC for the third best start in league annals.

Prior to 2020, Indy had never managed to start a campaign with even two consecutive wins – although it did start the 2016 season by going 13 games unbeaten (6W-0L-7D). Indiana's Team began all four seasons of its NASL tenure from 2014-17 with two draws, while each of its first two USL Championship campaigns began with a win and a loss – although last year's season opening defeat at Saint Louis FC was followed by four consecutive victories for the Circle City squad.

### Newton USLC's Victory & Shutout King (and "Save-ior")

With every outing this year, goalkeeper Evan Newton will look to pad his USL Championship career leads in a trio of categories. Last Wednesday's 1-0 clean sheet triumph at Pittsburgh boosted the Virginia Beach native's league-best marks to 49 shutouts, 455 saves, and 68 wins (career record 68W-45L-38D after Wednesday's victory). The 2018 Championship Golden Glove winner (with FC Cincinnati) is one of six Championship goalkeepers with two shutouts to their name in the early going of the 2020 campaign.

### More Shots = More Goals

Now halfway through Week 6 action, Indy Eleven is pacing the USL Championship, breaking into triple-digits with its 100 shots taken thus far, 19 more than second-place Louisville City FC (81). That total was boosted on Wednesday when Indiana's Team outshot Hartford Athletic 17-8, six of those shots on frame which was reflected in the 4-1 scoreline in Indy's favor. Tyler Pasher's 24 shots pace both the team and tie LouCity's Cameron Lancaster atop the USL Championship table, followed by Andrew Carleton's 12 (T-5th), Nick Moon's 9 (T-13) and Paddy Barrett's 7 (T-28th). Wednesday's goal output against Hartford Athletic surged Indiana's Team to the top of the league-wide scoring table with 13, with Western Conference heavyweights Phoenix Rising trailing by two.

## NEWS & NOTES

### Death. Taxes. Pasher Goals.

Has Tyler Pasher lived up to the lofty expectations heaped upon him prior to the 2020 campaign? Considering Pasher has more **GAME-WINNING GOALS** (4) so far in 2020 than any other USL Championship player has goals (11 players tied for second place with 3 tallies), has us answering with a resounding "OF COURSE HE IS!"

With another goal during another impressive showing Wednesday evening, the league's goal leader padded his cushion with a sixth goal, as well as raising his shot count to 24 – now tied with Louisville City's Cameron Lancaster for most shots in the league – and 15 shots on target.

Pasher's not only finishing at a high level, but he's looking out for his teammates too – his assist on Carl Haworth's first tally for Indiana's Team back on March 7 at Memphis 901 FC was one of his team-high 12 chances created, which is tied for the third most in the Championship.

By not scoring in his 21 minutes of action on Sunday, Pasher saw his six-game scoring streak snapped, a run that started with his finish in Indy's 1-0 win over Nashville SC in the USL Championship Playoffs Eastern Conference Semifinal round last November 2. However, Wednesday's finish against Hartford gave Pasher a goal in his seventh straight starting appearance.

The 26-year-old's stunning game-winner at Pittsburgh Riverhounds last Wednesday made him the first player in Indy Eleven history to score in four straight games, breaking a mark he previously shared with Kleberson (2014), Dane Richards (2015), Dane Kelly (2019), and ... himself (2019).

Pasher's fast start to 2020 isn't unprecedented – the past three Championship seasons have seen one player record at least five goals over his club's first four games, but none of those also managed to score in all four matches as well. There is one player who has, however, in Raheem Edwards, who scored once in each of TFC II's opening four games of the 2016 season.

### Eleven Adds Academy Goalkeeper Alex Svetanoff

On the other end of the goalkeeping career spectrum from incumbent starter Evan Newton, Indy Eleven continued its trend of bringing in homegrown Hoosier talent with the July 17th signing of Crown Point native Alex Svetanoff to a USL Academy contract. The 17-year-old goalkeeper, who has suited up 30 times for former USSDA club Indiana Fire Juniors' U-15 through U-18 sides since 2017, will take the third goalkeeper reins from the soon-to-depart Holden Brown, who will report to the University of Virginia for his freshman season with the Cavaliers.

### Sharing Means Caring

If the Indy Eleven attack seems to be coming from all directions across its first six games, that's because it is. Four players currently rank in the league's top 25 in chances created – Tyler Pasher with 12 (T-3rd), Nick Moon with 8 (T-15th), and Drew Conner and Tyler Gibson with 7 (T-22nd) – while another three – Carl Haworth (6) Ayoze (5) and Cam Lindley (5) – are knocking on the door. Already eight players have registered an assist, Nick Moon, Karl Ouimette and Ilija Ilic with two and Pasher, Haworth, Ayoze, Andrew Carleton, and Macauley King all with one. Of Indy's 13 goals thus far, only two have gone unassisted.

When it comes to pure passes, Indy Eleven won't be passed up on the leaderboard, either! Four Indy players rank in the league's top 6 in total passes through five games – Neveal Hackshaw with 402 (1st), Karl Ouimette with 332 (3rd), Tyler Gibson with 304 (5th), and Paddy Barrett with 269 (6th).

### Moon Mission

The look of excitement mixed with relief that washed over Nick Moon's face was all that needed to be said following his first Indy Eleven – and USL Championship – goal just four minutes in to Wednesday's contest against Hartford. Coming off Macauley King's service along the right flank, the nodded effort also made for the first header scored by Indiana's Team in 2020.

Though he's just tallied his first goal, Moon has been active in setting his teammates to find the back of the net. Two of his eight chances created have turned into assists – both on Pasher finishes in Indy's 4-2 win at Memphis back on March 7 – while a third resulted in Pasher's rebound goal in a 2-1 win over SKC II on July 18. The former Lansing Ignite FC midfielder and 2019 All-USL League One Second Team standout is one of 15 Championship players with multiple assists heading into the Week 6 weekend, sitting three behind league leader Kenardo Forbes of Pittsburgh. Following his active – and productive – 27-minute stint off the bench against Memphis, the Waukesha, Wisc.-native has been rewarded by head coach Martin Rennie with starting XI nods in Indy's last five contests.

### The New Blue Crew

With the mid-June addition of defender Felicien Dumas and the mid-July signing of Academy product Alex Svetanoff, 10 of the 26 currently rostered players are calling Indy home for the first time in 2020. That group includes several players that will earn or fight for starters' minutes, including Carl Haworth, Cam Lindley, Andrew Carleton, Yeferson Contreras, Nick Moon and Conner Antley (continue further in the notes for their "mini bios" and visit [IndyEleven.com/2020-roster](https://IndyEleven.com/2020-roster) for their full bios). Dumas, Svetanoff, Kyle Folds and New Jersey native Jeremy Rafanello round out the list of 2020 newcomers for Indiana's Team.

## OFFICIAL MATCH NOTES

### NEWS & NOTES

#### A Glass Two-Thirds Full

For the first time in his three seasons with Indy Eleven, Head Coach Martin Rennie enters a campaign with more familiar faces than new ones, as 16 of the 24 rostered players on Opening Day 2020 were returning from the 2019 edition. With that, the bulk of the production is also back for Indiana's Team.

**Minutes:** The 16 returning players represent 77% of the minutes logged in 2019 (28,516 of 36,822 played, to be exact). Only two Boys in Blue that played over 1,000 minutes last season – Dane Kelly (2,258) and Thomas Enevoldsen (1,716) – are not returning in 2020.

**Goals:** Players tallying 30 of the 48 goals scored last year return in 2020, including breakout leading goal scorer Tyler Pasher (13). While Kelly and Enevoldsen combined for 15 of the 18 goals lost, Indy does bring back five players other than Pasher who tallied multiple goals last year – Ayoze (3), Karl Ouimette (3), Drew Conner (2), Ilija Ilic (2) and Neveal Hackshaw (2).

**Assists:** A total of 70% of Indy Eleven's contributed assists (26 of 37) return, including co-leaders Ayoze and Kenney Walker (5 each). Pasher (4), Macauley King, (3), Paddy Barrett (3), Ilic (2) and Tyler Gibson (2) are other multi-assist men who are returning from a year ago.

**Coaching Staff:** Consistency on the sideline is just as important as it is on the field, and to that extent Indiana's Team will be returning 100% of its braintrust. Head Coach Martin Rennie and Goalkeeper Coach Andy Swift are both back for their third seasons on the Eleven sideline, while Assistant Coaches Juan Guerra and Phil Presser return for their second seasons on the Indy bench.

#### Youth Shall Be Served

**Youth Shall Be Served:** A common trait amongst pretty much all of those new roster signings is youth, as only Haworth clocked in at over 24 years of age as of 2020's Opening Day back in March. The other nine newcomers range in age from 17-24: Alex Svetanoff (17), Kyle Folds (18), Andrew Carleton (20), Jeremy Rafanello (20), Yeferson Contreras (20), Cam Lindley (turns 23 on gameday this Saturday), Nick Moon (24), Conner Antley (24) and Felicien Dumas (23). When you factor in reigning USL Championship All-First Team Defender Neveal Hackshaw (24) and Folds' fellow Academy signings and roster returnees Emerson Nieto (18) and Holden Brown (18) into the mix, 11 of 25 players are 24 years of age or younger (Macca King just "aged out" of this group upon his 25th birthday on April 10).

#### Home Streak 2 Years (and Counting)

Indy Eleven's current 28-game regular season home undefeated streak (21W-0L-7D) now spans more than two years, a record that started with a 2-1 win over Charlotte Independence at Lucas Oil Stadium on July 7, 2018.

Last week, Indiana's Team was in the unique position of being able to end the streak just behind it in league annals – and it did just that with a 1-0 win at Pittsburgh that shut down Riverhounds SC's streak at 25 games. With its win over Hartford on Wednesday, Indy now has the potential to take sole possession of the second-longest streak in Championship history as the calendar turns to August on Saturday night against Sporting KC II.

33 games | Richmond Kickers | 2012-14

28 games | Indy Eleven | 2018-current

28 games | Charleston Battery | 2014-16

25 games | Pittsburgh Riverhounds | 2018-2020 (ended Wednesday by Indy)

25 games | Orlando City SC | 2011-13

The most impressive part of this home stretch? The Eleven have notched 11 consecutive wins at home, a run that began with a 2-0 victory over Loudoun United last July 20. That stands as the second-longest stretch in USL history, now just two wins behind Orlando City's record run of 13 during their 2014 campaign.

#### A Comeback for the Ages

Indy Eleven did itself no favors by going into a 0-2 hole within the first 20 minutes in its season-opener at Memphis 901 FC back on March 7 ... but it did set Indiana's Team up for some club history. The 4-2 win allowed the club to rewrite a few club records, including:

- Most goals scored during the USL Championship era (72 regular season & postseason games)
- Most goals scored in an away match in club history
- First win in club history after being down two goals

The win at Memphis broke a 121-game streak (counting regular season and postseason league outings) in which Indy Eleven had failed to notch at least four goals in a game – something the squad has now accomplished twice in its first six games in 2020 (club record of five goals was accomplished in a 5-2 win over Jacksonville Armada FC on Aug. 3, 2016). In fact, the only two other times in which the Eleven scored at least four goals also came during that 2016 NASL campaign – a 4-2 win over Minnesota United FC on May 21, 2016, and the "Miracle at the Mike" 4-1 triumph over the then-Carolina RailHawks (now North Carolina FC) on June 11, 2016.

## INDY ELEVEN ROSTER

### EVAN NEWTON

#1

Height: 6'2" Weight: 190 lbs. DOB: 4/1/88  
Country: USA  
Signed: 1/8/19 Previous club: FC Cincinnati

#### GOALKEEPER

After making his Boys in Blue regular season debut on March 9 in Indy's 2019 season opener against Saint Louis FC, Newton was head coach Martin Rennie's first call between the posts throughout the season, finishing with nine clean sheets and an impressive 0.94 goals against average in 27 starts. After earning back-to-back clean sheets in early May against North Carolina FC and the Tampa Bay Rowdies, Newton tied and surpassed Odisnel Cooper's record of 40 career USL Championship career shutouts and eventually ended the season with 47 career clean sheets – a mark that could have been improved upon were his season not ended due to injury in September.

### JORDAN FARR

#0

Height: 6'1" Weight: 182 lbs. DOB: 10/5/94  
Country: USA  
Signed: 2/2/18 Previous club: Corban University

#### GOALKEEPER

After missing most of 2018 recovering from a shoulder injury, Farr experienced his first professional minutes with Indy Eleven in 2019 – beginning with a surprise early substitute appearance in Lamar Hunt U.S. Open Cup action on May 15 that saw him shut down Lansing Ignite FC for the final 70 minutes of a 1-0 win. Farr would go on to make 12 appearances (10 starts) in USL Championship action, starting 10 games and posting an incredibly efficient and impressive five clean sheets, 80 percent save rate and 0.66 goals against average. Farr second stint in place of the injured Newton include the final three starts of the regular season and stints between the posts for all three USL Championship Playoff contests, during which he shut out New York Red Bulls II and Nashville SC and blanked Louisville City FC deep into stoppage time of the Eastern Conference Final, an eventual 3-1 defeat.

### HOLDEN BROWN

#28

Height: 6'5" Weight: 181 lbs. DOB: 12/10/01  
Country: USA  
Signed: 7/26/19 Previous club: Indiana Fire Academy

#### GOALKEEPER

A USL Academy signing midway through the 2019 season, Brown served as the primary back-up goalkeeper behind Jordan Farr when regular starter Evan Newton was injured, a stint that included the final three regular season games and all three USL Championship Playoffs contests. Brown will spend the first half of the 2020 USL Championship season with Indy before attending the University of Virginia in the fall.

In his three seasons with Zionsville High School, Brown made 68 saves and tallied 17 shut outs in 31 varsity appearances. In 2018, Brown signed with the Indiana Fire Academy, starting in eight of his 12 appearances for the Academy's Under-18/19 squad.

### AYOZE GARCIA

#7

Height: 5'7" Weight: 151 lbs. DOB: 11/22/85  
Country: Spain  
Signed: 2/6/18 Previous club: New York Cosmos

#### DEFENDER

After earning a USL Championship All-League Second Team accolade in his first season with Indy Eleven in 2018, Ayoze continued his all-around stellar play with Indiana's Team in 2019. Ayoze notched three goals and a team co-leading five assists in 31 starts en route to playing the third most minutes (2,839) among his teammates. The wily veteran was at his best when setting up his teammates, finishing fifth in the league on chances created (87). The steady left-sided maestro joined Tyler Pasher as the squad's only three-time USL Team of the Week honorees (Weeks 4, 11 & 28). In his first year with Indiana's Team, Ayoze was just as effective, scoring four times and assisting on eight goals across 29 appearances (28 starts) in helping the Eleven to the USL postseason.

## INDY ELEVEN ROSTER

### KARL OUIMETTE

#20

Height: 6'0" Weight: 192 lbs. DOB: 6/18/92  
Country: Canada  
Signed: 2/2/18 Previous club: San Francisco Deltas

#### DEFENDER

Ouimette built off his solid first season with Indy Eleven by being a fixture in the Starting IX in 2019, finishing sixth on the team with 29 starts. Ouimette remained a dominant defender, leading the team in duels won with 230, along with finishing in second in clearances (94) and blocks (17). The Canadian also finished in the top-five for the team in interceptions (36) and tackles (53). Ouimette was also a surprising help on the offensive end, his three goals including a side-winding effort against New York Red Bulls II that sealed Indy's 1-0 victory in the USL Championship Playoffs Eastern Conference Quarterfinals at Carroll Stadium on Oct. 26. The three goals equaled Ouimette's offensive output during his first season with Indy in 2018, during which he started 32 of the squad's 35 contests.
