2. NEW BUSINESS

Fastpitch Tryouts

James tried to contact Anoka Ramsey but they did not confirm enough volunteers or engage in the conversation about running our tryouts. James then contacted Flexball to contract their services to perform the evaluations at roughly \$35 per player. There was money remaining in the fastpitch account from the Hit-A-Thon. Flexball would require less volunteers from Soderville. If we are satisfied with Flexball's services, we could build this into the budget and registration next year.

Number of players per age level:

10U-50

12U-21

14/16U-27

Total: 108

Tryout date will be Saturday, October 7 with a make up day potentially Monday, October 9 or Tuesday, October 10.

Motion to approve the expense of up to \$4,000 for Flexball to conduct the tryouts for fastpitch (from the fastpitch account) by Nate. Seconded by Chet. Motion passes.
