Join the Andover High School Huskies Boys Hockey Program on August 26th by participating in our Hockey Day Minnesota Golf Fundraising event. This is an amazing opportunity for Andover to be selected to play in Hockey Day Minnesota and we ask for your support. You do not want to miss this Community Gathering event and a day that will feature:

Golf • Games • Alumni Competition • Silent Auction • Fabulous Prizes and more

Make sure to tell your friends and family about the **Hockey Day Andover Golf Fundraiser** as we are looking to have 288 golfers participate. Registrations for Andover student golfers will be accepted, but they must golf with an adult.

We are graciously accepting donation items for the Silent Auction. To donate please contact Erica Stiller at 763-218-6640 or ericastiller@gmail.com. Thank you in advance!
